ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts.

1. RATE INFORMATION — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Membership Savings, Secondary Savings, Business Membership Savings, Rockstar Savers, Next Generation, Christmas Club Savings and Vacation Club Savings, Visa Secured Savings, and IRA Savings accounts, the dividend rate and annual percentage yield may change quarterly as determined by the Credit Union's Board of Directors. For High Yield Fund Savings, Money Market, Ultra Savings, Dividend Checking, and Business Dividend Checking accounts, the dividend rate and annual percentage yield may change monthly as determined by the Credit Union's Board of Directors. The dividend rates and annual percentage yields are the prospective rates and yields that the Credit Union anticipates paying for the applicable dividend period. The Money Market accounts are tiered rate accounts. If your daily balance is from \$5000.00 to \$24,999.99, the first dividend rate and annual percentage yield listed for this account in the Rate Schedule will apply. If your daily balance is from \$25,000.00 to \$49,999.99, the second dividend rate and annual percentage yield listed for this account will apply. If your daily balance is from \$50,000.00 to \$99,999.99, the third dividend rate and annual percentage yield listed for this account will apply. If your daily balance is from \$100,000.00 to \$499,999.99, the fourth dividend rate and annual percentage yield listed for this account will apply. If your daily balance is \$500,000.00 or greater, the fifth dividend rate and annual percentage yield listed for this account will apply. Once a particular range is met, the dividend rate and annual percentage yield for that balance range will apply to the full balance of your account. The Ultra Savings accounts are tiered rate accounts. If your daily balance is from \$25,000.00 to \$49,999.99, the first dividend rate and annual percentage yield listed for this account in the Rate Schedule will apply. If your daily balance is from \$50,000.00 to

\$99,999.99, the second dividend rate and annual percentage yield listed for this account will apply. If your daily balance is from \$100,000.00 to \$499,999.99, the third dividend rate and annual percentage yield listed for this account will apply. If your daily balance is \$500,000.00 or greater, the fourth dividend rate and annual percentage yield listed for this account will apply. Once a particular range is met, the dividend rate and annual percentage yield for that balance range will apply to the full balance of your account.
